## Message From Principal’s Desk (Parao Campus)

Dear Parent,

We at Seth M. R. Jaipuria Schools Banaras, give our students wings to fly. The environment is holistic and student friendly. Our strong liberal art curriculum stirs imagination, develops student’s critical thinking and fosters a balance between academics and other activities. As the Principal, I invest in young souls to transform rough diamonds to shining gems. My endeavour is to nurture the strengths in each child and to offer each one an equal opportunity to succeed. For me, students are like clouds that come to add colour to my sunset sky. These wonderful children brighten our days with their energy, creativity, and inspiration. We regard you– the parents as important stake holders in this journey. Visit our beautiful campus and you will see how we challenge and inspire young minds to love learning and to shape a better world. I am sure your journey at Seth M. R. Jaipuria School will be truly rewarding.

Mr. Ashish Saxena

Principal

Parao Campus

## Message From Principal’s Desk (Babatpur Campus)

Dear Parent,

“Success will never lower its standards to accommodate us. We have to raise our standards to achieve it.” It is said that a leader is born with the birth of every child. The only need is to provide an enabling environment, careful nurturing and effective use of their unbound talents. At the school, our philosophy is to reduce pressure and carefully nurture the student’s hopes and desires while boosting self-esteem. We believe we all have the capacity to improve and learn. Children develop this capacity at different rates. And just like a potter molds clay, constant encouragement, immense hard work and love can mold students into future leaders. Students at our school will not compete with each other, but with themselves by constantly raising their expectations and achievements. This will not only make them self driven but also sensitive and empathetic to other’s failures and emotions. True learning comes through igniting the curiosity of each child and by guiding till they are free from fear of failures. We seek to groom future leaders and ensure that each one is physically sound, mentally capable and emotionally secure to face challenges of life. We are but a guiding medium on their way to greatness ensuring they are not led astray.
